About Me

Recent graduate of the Cal State LA paralegal program, simultaneously completing a variety of eDiscovery and legal tech certifications. A decade of hands-on exposure to IP contracts, rights clearance, and document-intensive operations—including direct review on Elmore Leonard's *Cat Chaser*, the *Highlander* franchise rights chains, and copyright vestings across multiple music and film projects. Now looking to apply this experience directly to the legal field.

Skills & Certifications

- DISCO certified in Search & Review and Data Management, with additional certifications in Reveal Reviewer, Reveal Data Analyst, Logikcull Reviewer, and Brainspace Data Analyst
- Experienced with Westlaw research, legal memoranda, and litigation drafting, including pleadings, written discovery, and e-filing
- Security Blue Team Junior Analyst certified, with continuing self-directed training in Kali Linux, Autopsy, FTK Imager, and related forensic tools

Work Experience

Film Consultant & Legal Research Support | CineMarket, LLC • 2021 – Present

- Reviewed IP rights and right-of-transfer documentation for two active development projects—Elmore Leonard's *Cat Chaser* and the *Highlander* film franchise—analyzing encumbrances, copyrights, and chain of title for use in contract negotiations.
- Rebuilt accounting and project databases from scratch and designed cloud-accessible systems for scripts, notes, and IP contract tracking—providing technical infrastructure, systems administration, and document management for a lean multi-project consulting operation.

Music Supervisor & Composer | Freelance • 2016 – 2024

- Negotiated sync licensing terms with publishers and rights holders across multiple productions—reading agreements for non-standard terms and managing counterparty correspondence through execution.
- Maintained clearance records and cue sheets for each project: Chain-of-custody IP documentation with direct parallels to discovery organization and compliance tracking in litigation support.

Custom Cabinet Designer & Fabricator | Kirby Cabinetry • 2017 – 2020, 2021 – 2023

- Lead approximately 25 high-end custom projects from initial contract and client design conversations through fabrication and final installation—full lifecycle accountability on every engagement.

Domestic Purchasing & Logistics Manager | American Soil & Stone • 2014 – 2017

- Promoted from sales associate to domestic purchasing manager and primary liaison for large-scale stone fabrication.
